Best MANGA Series Ever

Air Gear: Roller-blading daredevils battle gangs and assorted villains, with the intervention of the mysterious Sleeping Forest riders.

Bleach: Ishigo can see spirits. He becomes a Soul Reaper and fights to protect the innocent from Hollows, monsters born from evil souls that cannot cross over.

Death Note: Any human whose name is written in Light Yagami's notebook dies, and Light has vowed to use the power of the Death Note to rid the world of evil.

Dragon Eye: A battle is raging between humans and Dracules, a murderous viral race of monsters. The elite VIUS squad fights to save humans from extinction. The mystical dragon's eye grants its owner invincibility.

Naruto: Naruto, a ninja-in-training, wants to be leader of his village someday. First, he has to learn to control the demon fox that was sealed inside of him as a baby.

O-Parts: Ruby was just an ordinary girl until her father dies and she becomes a treasure hunter like he was. She finds O-Parts, hidden magical items that grant superhuman powers.

Ranma 1/2: Martial artist Ranma transforms into a girl when he touches water and that's just the beginning!
